This Association is the largest, oldest and most successful Mutual Insurance Association in California and the majority of its members are in and near San Francisco where it is best known. It now confines its Agencies to the Pacific Coast. The wisdom of this act is shown by the strenuous efforts made by the Eastern companies for California business, recognizing as they do, the necessity of equalizing the extra-death rate elsewhere caused by climatic conditions. "An insurance company that reaches too far is liable to disasters common to the merchant who spread his business over all Creation."

An Efficient Remedy

In all cases of Bronchial and Pulmonary Affections is AYER'S CHERRY PECTORAL. As such it is recognized and prescribed by the medical profession, and in many thousands of families, for the past forty years, it has been regarded as an invaluable household remedy. It is a preparation that only requires to be taken in very small quantities, and a few doses of it administered in the early stages of a cold or cough will effect a speedy cure, and may, very possibly, save life. There is no doubt whatever that

Ayer's Cherry Pectoral

Has preserved the lives of great numbers of persons, by arresting the development of Laryngitis, Bronchitis, Pneumonia, and Pulmonary Consumption, and by the cure of those dangerous maladies. It should be kept ready for use in every family where there are children, as it is a medicine far superior to all others in the treatment of Croup, the alleviation of Whooping Cough, and the cure of Colds and Influenza, ailments peculiarly incidental to childhood and youth. Promptitude in dealing with all diseases of this class is of the utmost importance. The loss of a single day may, in many cases, entail fatal consequences. Do not waste precious time in experimenting with medicines of doubtful efficacy, while the malady is constantly gaining; a deeper hold, but take at once the speediest and most certain to cure,

Ayer's Cherry Pectoral,
